---

Scrimmages will involve a 5 minute warm-up, two 21 minute (20 minute on JV ice) running time periods, and the resurface coming at the half to allow coaches in-game time to address teams. Penalties will result in the full line being removed from the ice. Any player receiving a 3<sup>rd</sup> penalty, or major infraction, will forfeit their participation in the balance of that scrimmage. Coaches can discuss whether they want to dedicate any time toward special teams and communicate their wishes to the referees.
